

Digital Accessibility Residency

Engage in the Art of Digital Inclusion Advocacy

Congratulations on your accomplishments during your **accessibility journey** so far!

AFB's Digital Accessibility Residency program is not just an internship; it's a transformative experience designed for those ready to make a lasting impact on the future of digital accessibility. Complete AFB's internship pathway and help propel your career into high gear with our exclusive Digital Accessibility Residency program.

83% of companies hiring developers and designers say accessible tech skills are important.*

Authentic Experience

Immerse yourself in our accessibility team, driving real-world projects that redefine digital inclusivity.

Portfolio Excellence

Elevate your portfolio with impactful projects, cutting-edge research, and publications on advanced accessibility topics.

Leadership Growth

Develop leadership skills by contributing to projects that directly impact accessibility.

Your Gateway to an Impactful Career:

AFB's Digital Accessibility Residency program is designed to help you shape tomorrow's digital world with advanced accessibility expertise.

- ● ● **Strategic Project Contributions:**

Take the reins on accessibility projects, applying your skills to make a tangible impact on digital accessibility.

- ● ● **Networking at the Top:**

Forge connections with industry professionals and leaders as you participate in client project delivery to propel your career forward.

- ● ● **Publication Opportunities:**

Contribute to publications on cutting-edge accessibility topics, solidifying your position as an active voice in the field.

- ● ● **Competitive Compensation:**

Receive an increased hourly compensation of \$20 as a part-time AFB employee as you continue to develop your skills and contribute to meaningful projects.

- ● ● **Flexible Environment:**

Balance your studies by tailoring your schedule, allowing you to thrive with both your academic and career development pursuits.

Your Commitments:

Dedicate approximately **20-25 hours per week** during the **Summer** and **10-15 hours per week** during the **Fall and Spring** academic semesters, if you continue participation.

Access to a reliable internet connection and a computer for a seamless remote learning experience.

Adherence to AFB's employment policies and ethical standards.

Note: The Residency program is a **highly competitive** experience with **limited seats** available.
